

Employment Bulletin

Midlands June 2016

On behalf of the Career Transition Partnership (CTP), welcome to the Midlands Employment Bulletin, which will provide you with the latest jobs and business news from across the region and highlights a selection of the latest regional vacancies on our job site, [RightJob](#).

In addition to this bulletin, there are plenty of other resources available to assist you in your job search: the monthly [Focus e-newsletter](#) provides job-finding, resettlement and training news via email, our bespoke [Industry Sector Guides](#) are regularly updated with the latest industry news, and the [CTP website](#) is full of useful tips, advice and dedicated [employer microsites](#), where you will find information from a range of companies with ongoing opportunities for ex-military personnel.

Regional Overview

The Midlands is situated at the heart of England is comprised of the counties of West Midlands, Sandwell, Staffordshire, Warwickshire, Worcestershire, Herefordshire, Shropshire and Telford with the inclusion of cities and towns such as Birmingham, Stoke on Trent, Coventry, Wolverhampton, Solihull, Dudley and Walsall. Historically, employment in the West Midlands is dominated by manufacturing. Employers such as Jaguar Land Rover and JCB continue to lead within this sector.

The eastern part of the Midlands consists of counties such as of Derbyshire, Leicestershire, Lincolnshire, Northamptonshire, Nottinghamshire and Rutland.

Each of these areas has its own varying set of employment factors which you need to take into account when job searching. Therefore, it is beneficial for you to keep up-to-date with local business news and sign up with local job search websites to get relevant, up-to-date information to aid you in your search for employment.

Networking opportunities in Property & Construction with the Royal British Legion

The Royal British Legion's online pilot mentoring programme offers an easy way for Service leavers to connect with mentors in the property and construction industry for career planning support, regardless of location.

Over 3 million people in the UK are employed in property and construction, from estate agents to property managers, architects and planners to consultants and project managers, to engineers and the construction trades, and the industry offers a wide number of opportunities for Service leavers to use their skills.

Service leavers wishing to sign up to the programme, select a mentor from those best matched to their profile and requirements. They are then encouraged to plan the information they want to gather and make regular contact with their mentor over an agreed period using email, phone, Skype, social media or face-to-face communications to ask and answer questions and share career advice.
