

# Employment Bulletin

## North West and North Wales June 2016

On behalf of the Career Transition Partnership (CTP), welcome to the North West and North Wales Employment Bulletin, which will provide you with the latest jobs and business news from across the region and highlights a selection of the latest regional vacancies on our job site, [RightJob](#).

In addition to this bulletin, there are plenty of other resources available to assist you in your job search: the monthly [Focus e-newsletter](#) provides job-finding, resettlement and training news via email, our bespoke [Industry Sector Guides](#) are regularly updated with the latest industry news, and the [CTP website](#) is full of useful tips, advice and dedicated [employer microsites](#), where you will find information from a range of companies with ongoing opportunities for ex-military personnel.

### Regional Overview

This region covers a large geographical area including, Greater Manchester, Merseyside, Cumbria, Lancashire, Cheshire, North Wales and Isle of Man.

Each of these areas has its own varying set of employment factors which you need to take into account when job searching. Therefore, it is beneficial for you to keep up-to-date with local business news and sign up with local job search websites to get relevant, up-to-date information to aid you in your search for employment.

## Cheshire Science Enterprise Zone launched

---

An enterprise zone designed to attract jobs and businesses to sites across Cheshire has been launched. Four areas of the Cheshire Science Corridor will offer relief from business rates and other taxes, as well as access to 'super-fast' broadband. The zone includes sites where hundreds of jobs have been lost in recent years. Officials claim 20,000 jobs and 500 new businesses could be attracted to the county due to the incentives offered by the enterprise zone designation. Sites in Ellesmere Port, Warrington and east Cheshire will benefit from the new status. They include Alderley Park near Macclesfield, where 1,600 jobs were lost in 2013 when pharmaceutical giant AstraZeneca announced it would move its research and development unit to Cambridge.
