

# Regional Employment Bulletin

## London & South East July 2016

On behalf of the Career Transition Partnership (CTP), welcome to the London & South East Employment Bulletin. It will provide you with the latest jobs and business news from across the region and highlights a selection of the latest regional vacancies on our job site, [RightJob](#).

The London & South East region is a huge geographical area covering a number of counties and large cities such as Portsmouth, London, Reading, Brighton, Oxford, Kent, Southampton, Chichester and Guildford to name but a few. Each of these areas has its own different set of employment factors, so it is important that you sign up with local job searching websites to get as much relevant, up-to-date information as possible, to aid you in your search for employment.

In addition to this bulletin, there are plenty of other resources available to assist you in your job search: the monthly [Focus e-newsletter](#) provides job-finding, resettlement and training news via email, our bespoke [Industry Sector Guides](#) are regularly updated with the latest industry news, and the [CTP website](#) is full of useful tips, advice and dedicated [employer microsites](#), where you will find information from a range of companies with ongoing opportunities for ex-military personnel.

### Regional Overview

### Regional Job Market News

It was rolled out in May. [Read More](#)

## 6 Companies with the best work-life balance ever

Millennials are a force to be reckoned with. According to a recent study of 7,700 of us by consultancy firm Deloitte, we now dominate the majority of the global workforce. But unlike previous generations, we don't value loyalty to our employers half as much... In fact, most of us are planning to leave our current job within the next two years and want roles with flexibility, not security. Now, employers concerned about the 'loyalty challenge' are doing their best to keep young workers on board with a whole host of benefits and perks! We think this is definitely more than fair, considering how tough it can be for young people facing horrible things like zero-hours contracts and unpaid internships, and even the struggle just to get a job in the first place.
