

Employment Bulletin

North West and North Wales August 2016

On behalf of the Career Transition Partnership (CTP), welcome to the North West and North Wales Employment Bulletin, which will provide you with the latest jobs and business news from across the region and highlights a selection of the latest regional vacancies on our job site, [RightJob](#).

In addition to this bulletin, there are plenty of other resources available to assist you in your job search: the monthly [Focus e-newsletter](#) provides job-finding, resettlement and training news via email, our bespoke [Industry Sector Guides](#) are regularly updated with the latest industry news, and the [CTP website](#) is full of useful tips, advice and dedicated [employer microsites](#), where you will find information from a range of companies with ongoing opportunities for ex-military personnel.

Regional Overview

This region covers a large geographical area including, Greater Manchester, Merseyside, Cumbria, Lancashire, Cheshire, North Wales and Isle of Man.

Each of these areas has its own varying set of employment factors which you need to take into account when job searching. Therefore, it is beneficial for you to keep up-to-date with local business news and sign up with local job search websites to get relevant, up-to-date information to aid you in your search for employment.

Regional Job Market News

Talk English Volunteers

Join the growing team of Talk English volunteers and help people learn English, access services and get more involved in their community. They're looking for enthusiastic, committed volunteers who want to make a real difference to people's lives and teach English or support people with little or no English in their local community. They offer a range of training and volunteering opportunities. Depending on your skills, interests, other commitments and the time you have available for training and volunteering on the project, you may wish to get involved in one of the roles. Opportunities are available in Blackburn with Darwen, Bradford, Burnley, Hyndburn, Kirklees, Manchester, Oldham, Pendle and Rochdale. This is a great opportunity for you to gain a qualification and/or experience and develop new skills while making a difference to people's lives.

The Civil Nuclear Constabulary

Opportunities in Sellafield and other areas. Entry point salary £23,025 (rising to £25,700 after training). The Civil Nuclear Constabulary (CNC) is an armed police force, keeping the nation safe from harm by securing the integrity of civil nuclear material. The primary function is the protection of licenced nuclear sites not used wholly or mainly for defence purposes and the safeguarding of nuclear material in the UK and elsewhere. They have some remote locations; you will need to live in close proximity of your allocated site and our officers work 12 hour shifts.

The opportunities: 16 week foundation training course; unique firearms training and after 24 months you can apply to join one of the specialist teams such as firearms instructor, dog handler or escort team. You will be required to achieve medical and fitness standards as part of the application process, and these must be maintained and demonstrated throughout your career with the CNC.
