

## Are you planning to gain employment as a professional LGV driver?

### Category C + E Professional Driver Program

Delivered in association with JSMDT and Manpower Group at RTC Aldershot

- ✓ Qualify as a professional driver for LGV Category C + E Lorries.
- ✓ Gain work experience on a work attachment and / or guaranteed interview with Manpower Group.
- ✓ This Contract Funded driver training costs you a fraction of the commercial price!

## Who is the course for?

- ◆ Those who have a full Cat C LGV Licence and would like to progress onto Articulated lorries.
- ◆ This qualification is suitable for anyone wanting to become a professional LGV driver after discharge.
- ◆ Successful candidates will be eligible to drive category C + E vehicles over 3,500kg with a trailer weighing over 750kg.

## Course Structure

### Prior to booking

Prior to attending LGV Cat C + E Professional Driver Program all candidates require:

- ✓ A Full Cat C licence
- ✓ Although not a requirement to attend this course, all candidates will require the DCPC prior to taking employment or work attachment.

### Driver Training

- ✓ Hands on driver training delivered over a period of 5 days.
- ✓ Driving test on the 5th day.

If you do not already have the DCPC you should now book either the periodic training with CTP or Part 2 & 4 of the initial DCPC.

### Post Training

- ✓ Contact Manpower Group to arrange your CWA or discuss employment opportunities in your area.
- ✓ Obtain the driver Qualification Card through attending initial or periodic DCPC course.
- ✓ Begin your new career as a Professional Driver.

# What support will I receive?

- ◆ Prior to attending you will receive details on what you need to do to complete the DCPC.
- ◆ During the course you will be accompanied by a qualified driving instructor each day. When you are not actually doing any practical driving you will remain in the lorry so that you can observe and learn from other students.
- ◆ The course will provide you with the practical capability and knowledge to complete the LGV Cat C + E test.
- ◆ You will be supported into employment and offered the opportunity to attend a work attachment by Manpower Group should you choose.

## Further Study

After gaining your LGV licence you may wish to gain further related qualifications. As the transport industry is highly regulated you will require further Driver CPC periodic training. CTP delivers this and a number of related courses to help you progress in your chosen profession:

- ◆ Driver CPC Periodic Training - A requirement for all drivers
- ◆ ADR licence - A requirement for any driver pursuing a career driving fuel tankers or other hazardous goods vehicles

*Both the above qualifications are delivered as a joint course by CTP.*

- ◆ CPC (Road Haulage) International – For anyone pursuing a career as a transport Manager

## Employment Opportunities

- ◆ The transport sector has been experiencing year on year growth over the past few years.
- ◆ There are opportunities in all logistics sectors for LGV drivers and we have linked with Manpower Group to offer you the opportunity to gain experience through work attachments. These, and further employment opportunities, are advertised on RightJob.
