

# Regional Employment Bulletin

## Scotland September 2016

On behalf of the Career Transition Partnership (CTP), welcome to the Scotland Employment Bulletin. It will provide you with the latest jobs and business news from across the region and highlights a selection of the latest regional vacancies on our job site, [RightJob](#).

In addition to this bulletin, there are plenty of other resources available to assist you in your job search: the monthly [Focus e-newsletter](#) provides job-finding, resettlement and training news via email, our bespoke [Industry Sector Guides](#) are regularly updated with the latest industry news, and the [CTP website](#) is full of useful tips, advice and dedicated [employer microsites](#), where you will find information from a range of companies with ongoing opportunities for ex-military personnel.

### Regional Overview

Scotland covers a large and diverse geographical area with the majority of the population and the jobs being across the Central Belt which includes the major cities of Edinburgh and Glasgow. Other population hot spots include the cities of Dundee, Inverness and Aberdeen to mention but a few.

Each of these areas has its own varying set of employment factors which you need to take into account when job searching. Therefore, it is beneficial for you to keep up-to-date with local business news and sign up with local job search websites to get relevant, up-to-date information to aid you in your search for employment.

### Ministry of Defence Police

The Ministry of Defence Police is a national Force with locations throughout the UK. The Force particularly welcomes applications from those who would like to work in the following locations: St Fergus, Peterhead, Highland, Aberdeen. We currently employ some 2600 people. They are all focused, dedicated and passionate. Every one of them passes through rigorous training, which tests their ability to cope under pressure and work well in a team, as well as handle firearms responsibly. If you have stamina, vigilance, great customer service skills and exceptional resilience, you could join us in protecting the nation's defence and Critical National Infrastructure (CNI) sites. It could be the start of a very rewarding career.
