

# Employment Bulletin

## North East/Yorkshire September 2017

On behalf of the Career Transition Partnership (CTP), welcome to the North East and Yorkshire Employment Bulletin, which will provide you with the latest jobs and business news from across the region and highlights a selection of the latest regional vacancies on our job site, [RightJob](#).

In addition to this bulletin, there are plenty of other resources available to assist you in your job search: the monthly [Focus e-newsletter](#) provides job-finding, resettlement and training news via email, our bespoke [Industry Sector Guides](#) are regularly updated with the latest industry news, and the [CTP website](#) is full of useful tips, advice and dedicated [employer microsites](#), where you will find information from a range of companies with ongoing opportunities for ex-military personnel.

### Regional Overview

This region covers text a huge geographical area covering a number of counties and large cities. Leeds is now the fastest growing city in the UK. The North East is no longer dominated by collieries, and pit heaps have been reclaimed and naturalised in to landscapes to pave the way for companies such as Nissan, Arriva and Hitachi.

Each of these areas has its own varying set of employment factors which you need to take into account when job searching. Therefore, it is beneficial for you to keep up-to-date with local business news and sign up with local job search websites to get relevant, up-to-date information to aid you in your search for employment.

## Regional Job Market News

Expansions | New businesses | Market growth | Upcoming opportunities | Closures | Risks

### Care Home Manager Opportunities with Orchard

---

Our person-centered approach to care relies on the dedication and passion of our employees, who we expect to go the extra mile to improve the home experience and generate a relaxed and informal community within our homes. It's the attitude you can bring to Orchard Care Homes that we value, not necessarily your background in a care environment. We are currently interested in talking to service leavers about our Care Home Manager roles which offer an excellent package and an opportunity for you to utilise your leadership skills. For more information and to apply please visit [CTP RightJob](#) and search for 'Orchard Care Homes'.

### New jobs as engineering firm wins £2.5million Wynyard deal

---

A Teesside civil engineering firm has created ten full-time roles and 250 jobs for local construction workers after winning a £2.5million contract at the luxury Wynyard Park self-build housing development. HMH Civils, which is based in Stockton, has been selected to deliver the contract for roads and sewers for Wynyard Park's unique plots, with exclusive pockets of land where people have bought land to design and create their own homes. [Read more](#)

### Car parts maker creating skilled jobs in £500,000 investment in Redcar factory

---

A car parts maker manufacturer is creating skilled jobs at its Teesside base in a £500,000 investment in its facilities. ElringKlinger is spending £250,000 to expand its tool room and install machinery that will allow it to offer clients a full in-house repair facility. As a result of the expansion, the Redcar-based firm is looking to add to its 300-strong workforce by hiring a team of skilled tool makers. [Read more](#)

## Exciting Opportunities with Pentagon Motor Holdings

---

At Pentagon we believe any position with us isn't just another job, it's a career. Our success over the last 25 years has been built on our Teams.

We now have 35 franchise points representing 14 different brands, 5 support locations, over 1200 Team Members and we are still a family-run business.

So if you are looking to join a company with year on year growth, fantastic learning and development opportunities, recognition & reward, you've just found it ! We currently have opportunities in Sales, Servicing, Customer Care as well as a variety of apprenticeship opportunities. For more information and to apply please visit [CTP RightJob](#) and search 'Pentagon'.

## At least 30 jobs created after Pacifica Group strikes deal with Npower

---

A North East boiler repair company is creating 30 new jobs and expanding across the country after striking a deal with energy supplier npower. 0800 Repair, a subsidiary of Pacifica Group, has signed a five-year deal with the energy firm to carry out boiler installations and loft and cavity wall insulation work across the country. The deal will lead to the creation of at least 30 new jobs, taking headcount within Pacifica Home Services to over 90 people. [Read more](#)

## SMD Subsea to create 30 jobs as it moves services division to Port of Tyne site

---

Soil Machine Dynamics (SMD) is creating 30 jobs in South Shields as the subsea equipment manufacturer moves its servicing operations to a facility owned by the Port of Tyne. SMD will soon occupy a 23,000sq ft unit at Tyne Dock, which has been modified to fit the needs of the manufacturer. It will be used to carry out repairs and upgrades on remote operated vehicles (ROVs), which the company manufactures for the oil and gas, telecommunications and renewables sectors. SMD currently employs 220 people, with 50 members of staff based at Port of Tyne. [Read more](#)

## New electronics manufacturer opens in Ashington

---

A new circuit board assembly plant has been opened in Ashington, saving 24 jobs and promising to boost its production over the coming months. Arian EMS has been set up by Malcolm Humble, founder of Opsol and former managing director of electronic manufacturer Infoteam. Mr Humble was appointed as managing director of Hebburn-based Infoteam in December but said that growing the business would have required too much investment to make it worthwhile. As a result Infoteam ceased trading on June 30. [Read more](#)

## Vanilla Solutions business hub aims to tap into region's tech talent

---

An IT consultancy has opened a Tyneside office to tap into the region's tech talent and provide specialist support to its growing list of clients. Vanilla Solutions was launched as a specialist software provider in Grimsby eight years ago and it now provides consultancy, support and products to blue chip companies including BAE Systems, Babcock, Skanska, TechnipFMC and SMD. [Read more](#)

## New jobs to come as North East snack firm ramps up production

---

New jobs are expected to be created by a snack firm, which is poised to ramp up production following a move into a new North East base. Rapidly-growing food manufacturer It's All Good (IAG) has moved into Dukesway Central in Gateshead, marking the first letting at the speculative development for owners UK Land Estates. [Read more](#)

## North East firm's 'dirty bomb' detectors up for national innovation award

---

North East tech firm Kromek has been awarded a new contract by a health sector customer worth at least £4.1m. The radiation detection specialist, based at NETPark in Sedgefield, works in the medical, security and nuclear markets and already has contracts with this firm, which works in the bone mineral densitometry sector. The County Durham company has been enlisted to make detectors to be incorporated into the customer's new generation systems. [Read more](#)

## Careers for Every Taste with Compass Group

---

We've got a career for every taste. Management jobs. Check! Chef jobs. Check! Part time and casual jobs. Yep, we've got those too! If you want to shape a career that makes your heart beat just that little bit faster. A career you actually want to get out of bed for... then there's never been a more exciting time to be part of the Compass family. We're a big business with big opportunities. You could join our ranks on the frontline, in operations, in our office-based central function teams, or at any of our thousands of events. Take a look at what we've got to offer by visiting [CTP RightJob](#) and searching 'Compass Group'

## Make Care Matter

---

The Make Care Matter campaign is taking to the road to promote care as a career choice "a million miles away" from what you saw yourself doing, where you can "learn something new every single day" and "really make a difference".

All sorts of people work in care in North Yorkshire, from builders to accountants, young graduates to parents or partners wanting flexible but rewarding work to fit their personal situation.

Caring is far more than just a job. Being able to help people, often with fascinating life stories, to live independently and with dignity is an important and fulfilling profession.

The campaign hopes to attract more young people, and is appealing to men as well as women to consider the profession, particularly as men are living longer.

Opportunities in the care sector are as diverse as the people you'll be helping. We'll support you to gain the skills, knowledge and experience you need to progress.

There is a career waiting for you. Are you ready to Make Care Matter?

Make Care Matter tour:

- Hurworth Country Fair: Saturday 16th September
- Scarborough Roadshow: Wednesday 27th September
- Coventry University, Scarborough careers event: Tuesday 10th October
- Make Care Matter Roadshow in the Yorkshire Dales: September/October
- Catterick Garrison event for service leavers and families: October/November

For more information about the Make Care Matter campaign: [Read more](#)

## Looking out for talented people

---

At Thirteen, we're the largest housing provider in the North East, offering homes, support and opportunities to grow.

Our 1,500 colleagues provide services for more than 70,000 customers living in our homes across the Tees Valley and other areas of the North East, including North Yorkshire, County Durham and Tyne and Wear.

Our reason for being is to provide good quality homes and support for those in housing need. We provide support for anyone who needs a little help: help to get on the housing ladder, help to pay the rent, help to keep their home in good repair.

We're always on the lookout for talented people to join us and welcome applications from people who are passionate about what we do and match our company values. We employ people in a vast range of roles, from finance and HR, to bricklayers and quantity surveyors, to specialists working directly with customers in our neighbourhoods.

**Interested? Visit [CTP RightJob](#) and search for 'Thirteen'.**

## thirteen pushing the limits of press technology

Unipres is a global corporation with production sites in Japan and a global supply system with manufacturing centers in the three strategic regions of Asia, North America, and Europe.

The products desired by customers all around the world are quickly delivered from these sites, and we gather related information to devise future development plans and production strategies. The group companies that comprise the Unipres family are all dedicated to pushing the limits of press technology as part of an integrated organisation that handles every aspect of the business, from design and development through to production and distribution.

At Unipres, we are committed to strengthening the ties between people, society, and the environment, with the goal of becoming one of the world's leading stamping companies.

From the processing of single items to the development of systems and units, Unipres will forge ahead to further growth, keeping in mind the increasing division of work between car parts manufacturers and car makers, with the goal of becoming one of the world's leading stamping companies.

## Filtronic secure £5 million contract

---

Filtronic has backed up a pledge to expand its order book with a near £5m contract.

Filtronic says its North-East broadband division will supply high-frequency modules for a defence operator's aerospace project.

The three-year agreement is expected to generate revenues of around £4.8m, with work due to start at Filtronic's Sedgefield base next year.

The company, which employs more than 60 staff in the region, is also hopeful of creating a number of jobs over the coming 12 months.

## Forfusion – an employer to look out for

---

Forfusion serves as a trusted advisor to its clients, solving business problems using technology. Core competencies include unified communications and collaboration, networks and security, as well as data centre and virtualisation. Forfusion delivers lifecycle services using a proven methodology for planning, implementation and support.

Forfusion comprises a team of professionals, who have joined forces to create an exciting, forward thinking and dynamic organisation. Collectively we exercise a 'can-do' attitude and we promote a 'keep it simple' approach in all that we do.

Forfusion was launched in January 2007 when the market was buoyant and when communication over IP was fast becoming the norm. Through the recession and times of economic uncertainty our business has continued to move forward, which we believe is testament to our drive, determination and vision.

Attention to detail is always top of our agenda, which is reflected in our internal processes, right through to our customer facing documentation sets. We truly believe our meticulous nature and pragmatic approach provides us with the necessary tools to assist even the most complex of organisations.

## Hydraulic Engineers Opportunities with British Steel

---

Times are changing in the steel industry and we're moving with them. Our steel has been fundamental in creating iconic, awe inspiring structures around the world, structures that take your breath away. Our steel has helped people travel, eat and enjoy themselves! This all adds up to make British Steel a special company and a great place to develop your career.

This is an exciting opportunity to be a specialist within British Steel providing mechanical and/or heavy industrial hydraulic engineering support to Technical Engineering Services, plant managers and engineering customers for the execution of projects within the business.

**For more information and to apply please visit [CTP RightJob](#) and search 'British Steel'.**

## 57 jobs created as new M&S Foodhall set to open in Barnsley

---

A brand new M&S Foodhall is set to open at Cortonwood Retail Park in Barnsley, creating 57 new jobs.

Store Manager, Paul Nicoll, along with the Mayor of Rotherham, was on hand to officially open the new retail store on Wednesday 30th August.

The 9,000 sq ft store will offer a range of M&S' food and drink products, including the Spirit of Summer range, featuring slow cooked meats, spicy dressings, moreish salads and cooking kits.

In addition, the new store will feature an M&S Café, offering an array of hot and cold drinks, freshly made cakes, snacks and light meals.

Paul Nicoll has been with M&S for 30 years and will be taking on the role of the new store manager.

Paul commented: "The new store launch has been widely anticipated in the local community in Barnsley, and we're looking forward to bringing the best of M&S food and drink to Cortonwood Retail Park.

"We will be working hard over the next few months to make sure we offer fantastic service, putting our customers at the heart of everything we do and making this store a part of the local community in Barnsley." [Read more](#)
