

# Employment Bulletin

## South West & South Wales September 2020

Welcome to the CTP South West and South Wales Employment Bulletin, bringing you the latest jobs and business news from across the region, upcoming [employer events](#) and a selection of live vacancies advertised on [RightJob](#).

The CTP offers lots of additional resources to help you. The monthly [Focus e-newsletter](#) delivers job-finding, resettlement and training news to you via email; and our bespoke [Industry Sector Guides](#) are packed with the latest industry news. The [CTP website](#) is full of useful [Resettlement Guides](#), tips, interactive tools, videos, webinars, advice and downloads. Our [Find a Job](#) page includes an impressive range of dedicated [employer microsites](#), designed to attract service leavers/ex-military talent, that provide information including: open days and events, live-chats, work experience, apprenticeships and a variety of careers.

### Regional Overview

The South West and South Wales is a large region comprising of both rural and densely populated areas spanning: Cornwall, Devon, Dorset, Somerset, Wiltshire, Gloucestershire and South Wales. Each area has differing geographical or industry factors that influence employment. List your location preferences, on your [RightJob](#) and [LinkedIn](#) profiles and sign-up to job-search websites indicating your preferred postcodes. This will ensure you are visible to recruiters and employers, and able to access as many opportunities as possible.

**Please Note:** We make every effort to ensure that resources and information are accurate and up to date. However, as information is subject to change you are advised to check material facts and dates. Any website links are used to provide further information and are not intended to signify that we endorse such websites and/or their content.

## Regional Job Market News: South West and National (Followed by South Wales)

Expansions | New businesses | Market growth | Upcoming opportunities | Closures | Risks

### Boost for offshore wind ambitions

Plans to build floating windfarms in the Celtic Sea to generate clean power and create thousands of green jobs have taken a major step forward after being shortlisted by UK Research and Innovation (UKRI).

A [report](#) published earlier this year by ORE Catapult and commissioned by the Cornwall and Isles of Scilly LEP and the Welsh Government said a floating wind industry in the Celtic Sea could support 3,200 jobs in the south west and Wales and £682 million of spend in the local supply chain by 2030, powering hundreds of thousands of homes. [Read more](#)

### Major new Amazon warehouse in Plymouth preparing to open and is recruiting

E-commerce giant is among businesses which are recruiting after having actually done well during the coronavirus lockdown. [Read more](#)

### Grant funding agreed to help North Devon businesses prepare for Brexit

More than £80,000 of grant funding will be used to help North Devon's businesses prepare for Brexit.

In order to prepare for Brexit, the government has provided all Councils with grant funding, and North Devon Council's strategy and resources committee on Monday agreed to give the entire £52,452 they have received to North Devon +. [Read more](#)

### STEM Graduates into Business scheme helps local companies hire top talent

**The fund is providing an incentive grant to cover up to 50% of the graduates' wages – up to £200 a week or £2,400 over three months.**

Due to the current economic climate, getting young people into employment has now become more important than ever. Unemployment rates across the UK are rising, and many small and independently-run business across the region are struggling to stay afloat due to skills shortages in their workforce. As a result, The [University of Plymouth](#), in collaboration with the European Regional Development Fund, is working towards leading the STEM Graduates into Business Project. [Read more](#)

## Cityfibre Chooses Swindon For £40 Million Gigabit City Investment

---

Nearly every home and business in Swindon will gain access to next-generation broadband thanks to a major investment by CityFibre, the UK's third national digital infrastructure platform. The town is to benefit from an investment of £40m in its digital future, as part of CityFibre's plans to replace the nation's legacy networks with gigabit-capable full fibre connectivity. [Read more](#)

## Korean Car Importer Moves HQ To Swindon

---

The importer of SUVs from Korea's oldest motor manufacturer is moving its base from Luton to Swindon's Europa Business Park.

SsangYong Motors UK says the new head office will provide it with a modern and flexible working environment with sufficient parking for employees and visitors and the capacity to operate its national next day parts supply service to its franchised dealers. [Read more](#)

## Work starts on huge £40m LPG project next to M5 at Avonmouth, Bristol

---

The UK's largest storage terminal for LPG is to be created off the M5 at Avonmouth, near Bristol.

Flogas Britain, which supplies liquefied petroleum gas, has started work on a £40m project to convert a National Grid facility for liquefied natural gas. [Read more](#)
