

Employment Bulletin

East of England October 2020

On behalf of the Career Transition Partnership (CTP), welcome to the Midlands Employment Bulletin, which will provide you with the latest jobs and business news from across the region and highlights a selection of the latest regional vacancies on our job site, [RightJob](#).

In addition to this bulletin, there are plenty of other resources available to assist you in your job search: the monthly [Focus e-newsletter](#) provides job-finding, resettlement and training news via email, our bespoke [Industry Sector Guides](#) are regularly updated with the latest industry news, and the [CTP website](#) is full of useful tips, advice and dedicated [employer microsites](#), where you will find information from a range of companies with ongoing opportunities for ex-military personnel.

***Please Note:** We make every effort to ensure that resources, information, and vacancies, are accurate and up to date. However, as information is subject to change you are advised to check material facts and dates. Any website links are used to provide further information and are not intended to signify that we endorse such websites and/or their content.

Regional Overview

The East of England region includes the counties of Lincolnshire, Cambridgeshire, Northamptonshire, Norfolk, Suffolk, Essex, Hertfordshire, Bedfordshire and Buckinghamshire. Each of these places have their own different set of employment factors depending on where you live so it is important that you sign up with local job searching websites to get as much relevant up to date information as is possible to aid you in your search for employment.

Each of these areas has its own varying set of employment factors which you need to consider when job searching. Therefore, it is beneficial for you to keep up to date with local business news and sign up with local job search websites to get relevant, up-to-date information to aid you in your search for employment.

Regional Job Market News

Expansions | New businesses | Market growth | Upcoming opportunities | Closures | Risk

SNS2020: Why the East of England is leading the way in offshore wind

SNS2020 speaker Martin Dronfield will be explaining not only why East Anglia is a globally significant area for offshore wind, but also how the region is critical to the UK's green recovery at the virtual conference this week.

One of the key presentations at the virtual SNS2020 event will be from Martin Dronfield, cluster champion for the East of England of Offshore Wind Sector. He's also a non-executive director of RenewableUK, sits on the board of the East of England Energy Group and is the chairman of the Offshore Wind Special Interest Group for the region. This is on top of his day job – and he's spent more than 35 years in offshore energy, working in oil and gas around the world and for the past seven years in offshore wind, in the UK, Europe and Taiwan. Peterborough firm to invest £4m in battery research hub to power UK car industry

A leading Peterborough company is to invest £4 million in the creation of a battery research centre that would help power the UK motor industry. 3D printing specialist Photocentric, based in Oxney Road, revealed the initiative during a visit to the triple Queen's Award winning company by the government international trade minister Ranil Jayawardena MP. NEW PLANNING APPLICATION FOR NORTHERN GATEWAY

Turnstone Estates has submitted a new planning application to Colchester Borough Council for its 200,000 sq ft, Northern Gateway leisure development in Colchester.

Set for completion in 2022/3, the Colchester Northern Gateway site now provides a 12-screen Cineworld cinema (with Superscreen and 4DX), a Hollywood Bowl bowling alley, a Putt Stars indoor golf centre, a Jump Street run climbing centre; seven restaurants, two drive thru restaurants and a 90-bed hotel.

In addition to parking for 750 cars, the scheme will have eight electric car rapid charging points. [Read more](#)

Life-changing skills secured on the Luton DART

Luton DART is the fast transit scheme being built by London Luton Airport Ltd

Hundreds of people have received essential training to help them enter the construction industry thanks to a pioneering joint venture from Luton Council, its airport company and Volker Fitzpatrick-Kier (VFK).

More than 720 people have received essential training at the Construction Skills Hub, which was created in November 2018 on the primary works site of the Luton DART, the fast transit scheme being built by London Luton Airport Ltd (LLAL).

'SKILLS MISMATCH' NEEDS URGENT ACTION TO STAVE OFF UNEMPLOYMENT AND ENABLE TECH AND SCALE UP BUSINESSES TO POWER ECONOMIC GROWTH

Scaling experts from Imperial College Business School and the private sector are calling on Government to unlock more investment locally and improve the attractiveness and awareness of careers in scaleups, over banking and accountancy for school leavers and university graduates, to stave off growing unemployment and enable tech and scaleup businesses to power economic growth.

This insight came from the first event of *The Scale Factor* on Thursday, a new event series from [Scale Space](#) in partnership with Imperial College Business School, debating how the skills 'mismatch' can be solved to halt a £120bn loss in economic output by the end of 2029. The expert panel included the ScaleUp Institute, Avado, the Royal Statistical Society and Imperial College Business School. [Read more](#)

Loads of jobs up for grabs at Derbyshire Constabulary and East Midlands Ambulance Service

Working with the police could be a dream job for many but not every role involves pulling on a uniform and walking the streets.

At a time when many companies are being forced to lay off staff due to the impact of the coronavirus lockdown, Derbyshire police have revealed they are looking for more people to join the team. And it could not come at a more perfect time for those looking for work. Jobs currently on offer with the force include digital media and communications officer, Casualty Reduction Enforcement Support Team (CREST) process officer, human resources services officer, partnership analyst, delivery team administrator and technical officer.
