## By Road

From all directions follow signs for International Airport. Take turning for **Killead** and drive through village. At T junction, turn right and follow road around to the left and continue directly into military checkpoint. If you do not have a recognised military ID Card, you will need to have with you some form of photographic ID.

As you approach the checkpoint and if not in possession of a recognised military ID, you must pull into the car park on the left and walk to the guardroom for a temporary pass. Once this process is complete, or if you have a recognised ID drive to the checkpoint then drive a quarter of a mile before turning right through large double gates. Park anywhere around there and you will see the Resettlement Centre on your right.

There are no local buses or trains within easy access of Aldergrove Flying Station. Service leavers are restricted from using public transport although may use one of the approved taxi companies. Details of these can be obtained from the Security Advice Centre on mil **9491 31340** or civ **02894 421340**.

**If using Satnav** the postcode BT29 4EL will bring you directly to the front of the camp.
