

Colchester Resettlement Centre,  
Gleig House,  
Merville Barracks,  
Colchester  
CO2 7UT

## TRAVEL BY ROAD

There are 2 main ways of approaching RC Colchester; from the A12 northbound and the A12 southbound.

### A12 NORTHBOUND

Leave the A12 at the second exit sign posted Colchester Centre and turn left at the first roundabout onto Cymberline Way. Then take the third exit at the next roundabout; second exit at the following roundabout (Westway); first exit at the third roundabout (Southway) and third exit at the next roundabout (Mersea Road). Take the second turning on the right into Berechurch Road and the second turning on the right again into Circular Road South. At the roundabout turn left into Merville Barracks.

### A12 SOUTHBOUND

Leave the A12 at the first exit for Colchester. At the roundabout at the top of the slip road take the second exit into Ipswich Road. Continue along this road until you reach a double mini-roundabout. Take the first exit off the first roundabout and the second exit off the second roundabout. At the next mini-roundabout take the second exit into East Street. Take the first exit at the next mini-roundabout into Brook Street. At the first set of traffic lights turn right. Take the first exit at the next roundabout into Mersea Road. Take the second turning on the right into Berechurch Road and the second turning on the right again into Circular Road South. At the roundabout turn left into Merville Barracks.

## TRAVEL BY RAIL

Colchester is served by a mainline railway from London and Norwich. Colchester North Station is located in the Mile End area north of the town, about 3 miles from Merville Barracks. It is suggested that Colchester Town Station is not used because even though it is closer to the barracks, it involves a change of trains at Colchester main line station. Once inside the main gate, head straight along the road, and the Resettlement Centre is the large building on the right, just past the parade ground.
