

Are you planning to specialise in Project Management?

10 day APM Project Management Qualification (PMQ)

Gain an internationally recognised project management qualification,
delivered in association with QA Academy

- ✓ This is **the definitive Project Management course**, and aims to provide a thorough understanding of all major topics within Project Management.
- ✓ There are considerable job opportunities in the UK and worldwide with 150,000 employed in Project Management in the UK and 12,000 APM members.
- ✓ Successful candidates carry the qualification from one job to another, across a wide range of industry sectors.
- ✓ 90% of current professionals believe that holding the qualification demonstrates that they have the knowledge to be a competent manager; according to feedback from a survey of all takers of the qualification. (www.apm.org.uk)

Who is the course for?

This course is for Service leavers who are looking at careers in project or general management but who have little or no experience in Project Management. The course is extended to 10 days to cover extra material specifically designed for Service personnel who have no commercial experience. Attendees will gain the understanding of commercial terminology needed to succeed at interview and in a commercial role.

Note: Service leavers attending this course should be literate and numerate to at least Level 2.

Programme Structure

The course is delivered over a period of 10 days, and also includes a programme of essential pre course study to help prepare.

The course will be delivered by professional Project Management Consultants who bring a wealth of commercial knowledge to the course, covering the following topics:

- ◆ Project Management
- ◆ Business Case
- ◆ Project Lifecycle
- ◆ Risk Management
- ◆ Project Planning
- ◆ Scope Management
- ◆ Time Scheduling
- ◆ Resource Management
- ◆ Control and Co-ordination
- ◆ Change Control
- ◆ Teamwork
- ◆ Stakeholder Management

What Study Support will I Receive?

All pre course study material is provided along with all books and notes for the classroom. Support is provided throughout the course by the tutor.

IMPORTANT EXAM INFORMATION

The PMQ exam will take place on the last Friday of the course. There is an optional (with additional cost) APM Project Fundamentals Qualification (PFQ) exam which would be taken the day before the PMQ exam. This must be booked at least 2 weeks prior to attending the course. For any late bookings, you will be required to complete an online proctored exam following the course.

Further Study

Other courses currently delivered by CTP which would enhance opportunities in Project or General management include:

- ◆ PRINCE 2
- ◆ Agile Project Management (Foundation & Practitioner)
- ◆ Management of Risk (MoR)
- ◆ Lean Six Sigma
- ◆ APMG Change Management

Employment Opportunities

APM PMQ is a qualification recognised both nationally and internationally that successful candidates can carry from one job to another or from one industry to another.

Jobs currently being advertised for qualified PMQ personnel include Project Manager, Bid Consultant, Programme Manager, Contract Support Manager and Business Analyst ((source www.indeed.co.uk).
