

CompTIA Network+ and Security+ (NS+)

Delivered at the Resettlement Training Centre, Aldershot.

- ✓ Fantastic opportunity to do this Contract-Funded course delivered over 15 days at RTC Aldershot.
- ✓ Giving you the skills needed to install, configure and maintain IT networks, secure networks using best practices and conduct forensic investigations of IT security incidents.
- ✓ Gain highly regarded industry recognised level 3 qualifications on completion of this course.
- ✓ A pre requisite for those planning a Cyber Security career and seeking to attend the CompTIA Cyber Security Analyst CySA+ course with CTP

Who is the course for?

- ◆ For those Service leavers wishing to enter into the ever expanding and diverse IT sector.
- ◆ The course is open to all Service leavers; however, potential students should be aware that this is an advanced computing course and IS NOT SUITABLE FOR COMPLETE BEGINNERS.
- ◆ Service leavers should ideally have taken and passed both A+ Certification exams or have equivalent knowledge and experience.

Course Structure

The course will cover the syllabus required to undertake the **CompTIA Network+ and Security+** exams.

CompTIA: Network+

- ◆ Network architecture
- ◆ Network operations
- ◆ Network security
- ◆ Troubleshooting
- ◆ Industry standards, practices and network theory

CompTIA Security+

- ◆ Network security
- ◆ Compliance and operational security
- ◆ Threats and vulnerabilities
- ◆ Application, data and host security
- ◆ Access control and identity management
- ◆ Cryptography

More information on the syllabus of the Network+ and Security+ Certifications can be found at CompTIA's website: www.comptia.org. There are two on-line multiple choice exams with the duration of 90 minutes each, with 90-100 questions which can be taken at tests centres around the country but not at this centre.

What support will I receive?

- ◆ A 15 day course with classroom based learning supplemented by directed study and background preparatory reading during the course.
- ◆ There will be significant evening homework required. These are level 3 qualifications therefore there is significant out of hours study time required.
- ◆ You will be provided with experienced and qualified trainers who will help you through every step of this industry recognised qualification.
- ◆ There are two on-line multiple choice exams with the duration of 90 minutes each, with 90-100 questions which can be taken at tests centres around the country but not at this centre.
- ◆ Subject to successfully completing the course and examination, the following certificates are awarded to the student: CompTIA Network+ Certification, CompTIA Security+ Certification.

Further Study

The Tech Partnership and the Skills Framework for the Information Age (SFIA) websites provide more information about professional development options.

CTP deliver a number of related courses such as CCNA and Introduction to Digital Forensics. This N+ & S+ is also a pre requisite to the CompTIA Cyber Security Analyst CySA+ course offered by CTP at Aldershot.

Please visit <https://www.ctp.org.uk/resettlement-training/> for details

Employment Opportunities

Employment prospects are good in the UK. The technology community identifies CompTIA Network+ and Security+ as the perfect entry into a networking or security career.

Top technology companies including Microsoft, Novell, Cisco, Compaq, Lotus and 3Com recognise CompTIA Network+ and Security+ as part of their certification track.

Many other corporations recommend or require the CompTIA Network+ and Security+ certification for their IT

Course Fees and How to Fund

The course is Contract-Funded. This means that no money is required for course fees, but the IRTC Grant reduces by £400.50 (15 Days IRTC).

Course Cost (15 days)

£400.50

Students who have used their IRTC allocation or are post-discharge can apply for a Standby place on the course. If offered a place via current Standby arrangements, students will pay £400.50 directly to the MoD Cashiers Office on the first day of the course.

Exam fees

These are to be paid during the course and to find out how much the current exam fees are, please refer to the price list on the CTP Website. Students can use their Standard Learning Credits or the remainder of the IRTC grant to part pay their exam fees.

For advice on funding please speak to your Service Resettlement Advisor.
