

Learn the skills to construct and maintain outdoor structures around your home with this practical training

Hard Landscaping and Bricklaying

A 5 day practical course, delivered at the Resettlement Training Centre in Aldershot

- ✓ Gain the skills, knowledge and techniques required to construct and maintain outdoor structures
- ✓ Bring your own projects and learn the fundamental skills to complete a project of your own choosing - for example Patio, Garden Wall etc.
- ✓ Expert tuition from industry professionals.

Who is the course for?

If you're looking to complete landscaping projects around your home this is the course for you.

There are no entry requirements, however the course is an ideal follow on from our

Property Maintenance course, also delivered at the RTC.

Course Structure

The course content can be flexible according to the demands of the students but will include some or all of the following:

- Selection and safe use of tools
- Identify brick types
- Build brick corners and lay bricks to the line
- Measure and cut bricks
- Bed a damp proof course
- Build a brick pier
- Set and build an arch
- Select correct mix proportions for requirement
- Place, compact and finish concrete
- Block paving
- Path laying
- Patio laying
- Concrete bases and foundations
- All relevant Health and Safety.

If a student has a particular project in mind and it is within the scope of the course, every effort will be made to give tuition on it.

What support will I receive?

- Expert tuition from industry professionals.
- Support with a project of your choice.
- All materials and tools for use during the course
- Excellent workshop facilities.

Further Study

This course is designed purely to enhance Service Leavers DIY skills. Attendees may wish to also consider some of our other DIY courses such as:

- ◆ Property Maintenance
- ◆ Plumbing
- ◆ Plastering
