

Are you planning to find employment as a Health and Safety Professional...?

Health & Safety Lead Auditor ISO45001

- ✓ This course is for any Service leaver wanting a career in the design, implementation and auditing of Occupational Health and Safety Management Systems (OHSMS)
- ✓ It is a requirement for anyone intending to acquire the competence to audit an organisation's OHSMS ISO 45001 based management system, either as a third or second-party auditor
- ✓ On successful completion of the course candidates will be awarded the IRCA registered certificate for OHSMS Lead Auditor

Who is the course for?

- ◆ The course is suitable for all Service personnel, but is particularly suitable for those with an underpinning knowledge of the Health & Safety at Work Act and the principle underpinning regulations
- ◆ Previous completion of NEBOSH or IOSH courses would be advantageous
- ◆ Students should have the necessary numeracy/written/ verbal communication skills to complete the course

Course Structure

The course is delivered over a period of 5 days and includes the following content:

- ◆ Occupational Health & Safety Awareness
- ◆ Emergency preparedness
- ◆ Occupational Health & Safety Policy Statement
- ◆ Auditor skills and registration
- ◆ Overview of Health and Safety legislative requirements
- ◆ Auditing techniques
- ◆ Risk Assessment Methods (including HAZOP & HAZAN)
- ◆ Audit case study and role-play
- ◆ Roles and Responsibilities of auditors and audit leaders
- ◆ Non-conformity categorisation and reporting
- ◆ Audit planning, execution, reporting and follow-up

Assessment is by a combination of short answer and case study based examination questions.

What support will I receive?

- ◆ Pre course study material is provided
- ◆ 5 days of classroom based learning supplemented by directed study and background preparatory reading during the course

Further Study

CTP also offers a full suite of Health and safety related courses including the following:

- ◆ NEBOSH General Certificate
- ◆ NEBOSH Certificate in Environmental Management
- ◆ NEBOSH Fire Safety Certificate
- ◆ NEBOSH Construction Certificate
- ◆ IOSH Managing Safely Certificate

Employment Opportunities

There are currently many opportunities available within the Health and Safety industry and many of these roles are related to the creation, auditing and management of Occupational Health & Safety Management Systems. Many auditing professionals are also self-employed within the industry.

Course Fees and How to Fund

The course is Non-Contract Funded and therefore the cost of the course is to be **paid direct to** the Course Booking & Information Centre in advance as soon as possible after course booking or your place may be re-allocated. Payment is to be made by credit/debit card over the phone.
