

## Are you planning a career as a Photographer?

### SEG Awards ABC Level 3 Certificate in Photography

Delivered in association with First Point Photography

- ✓ 15 day hands on photography course, learning the skills needed to become a professional photographer
- ✓ Learn the skills of photography and photographic editing techniques
- ✓ Learn about wedding and portrait photography both in the studio and on location
- ✓ Gain a Level 3 Certificate by submitting a portfolio of evidence which is created during the course
- ✓ Delivered at our associates premises in Christchurch, Bournemouth

## Who is the course for?

- ◆ This course is for anyone who is a keen photographer or those who would like to understand the art of photography. There are no specific entry requirements, although those who are IT literate with numerate and literacy skills at a minimum level 2 would have an advantage
- ◆ Training is aimed at Service leavers who are considering a career as a photographer in any industry or those who would like to become Self Employed. Work attachments can be arranged by attendees, directly with our provider, during the course. The provider is also a commercial photography studio and delivers photography services to commercial clients.

## Course Structure

By the end of this 15 day course learners will be able to

- Use compact digital cameras
- Use digital single lens reflex cameras
- Download, manage and store digital images
- Present a portfolio of photographs
- Review own creative development
- Recognise the use of pixel based image software
- Explore the tools and functions of pixel-based image manipulation
- Initiate and create images using software

### Assessment

There are no examinations included in the assessment process.

Assessment is by creation of a portfolio of evidence completed during the course.

This will be done both in studio and also on location using a variety of skills.

Portfolios will showcase the photography and editing skills learned on the course.

## What support will I receive?

- ◆ Training is delivered in a modern photography studio at the First Point Photography studio in Christchurch near Bournemouth where all supporting materials including camera, IT equipment and software are available. You may use your own camera equipment if you have it.
- ◆ You will receive 15 days face to face training as well as advice and support from the Tutor , who is also a professional commercial photographer, throughout the course.

## Further Study

This course will provide an excellent foundation for those seeking to further their career as a professional photographer. It would be ideal for those who would like to pursue a career as a self employed photographer or for those who would like to take photography as a secondary income or hobby.

CTP offer a range of related training courses which you may wish to consider, including:

- ◆ Accounting in a Small Business
- ◆ Enterprise and Self Employment
- ◆ Developing & Managing a Business with an Online Presence

## Employment Opportunities

- ◆ There are a large number of opportunities available UK wide for photographers and these include:
  - ◆ Freelance Photographer
  - ◆ Locations Scout (Movie or TV Production)
  - ◆ Property Photographer

Other roles where photography skills are required include:

- ◆ Digital Media Marketing officer
- ◆ Photo Editor
